

Free Client Referral Service

American Medical Experts, LLC receives hundreds of calls each year from individuals with potential medical malpractice and personal injury cases from all over the country.

AME also assists some of these individuals directly in reviewing their cases for merit so when we refer them to you they may already have a supportive expert witness opinion on their case.

Our online advertising and web optimization attracts these individuals looking for help with there cases; we would like to refer these individuals directly to you so that they can have experienced legal representation moving forward with their cases.

If you are interested in receiving referrals from AME , simply call our office at 888-678-EXPERTS, or simply [click here](#) and fill out this form.
